

Tsubaki Advantage Success Stories

Application No.	5698
Industry	FOOD-Food Processing
Application Name	Line 6 - Outer Loader
Issue	The customer was using a competitor’s washdown duty chain and was only getting one year out of the chain before replacing it.
Tsubaki Solution	Our new G8 Neptune coating was put in to replace the competitor’s washdown duty chain. The initial life expectation was 2 years. At the end of this 2-year life expectancy, Tsubaki went back in to check the chain and found the chain to still be in operation with the plant planning on continuing to use the same strand.
