

Tsubaki Advantage Success Stories

Application No.	7420
Industry	FOOD-Bakery
Application Name	Depositor
Issue	OEM chain was a nonstandard attachment on a 12B DIN standard chain. This chain from the OEM was very expensive. The customer needed to change this chain out very soon as their take-ups were fully extended.
Tsubaki Solution	We were able to change the 12B chain out for an ANSI standard 60 chain to add a Neptune coating for corrosion resistance when the line was washed down. This took the delivery from 14 weeks down to 5 working days.
Cost Savings	1,981.92
Product Type	Conveyor Chain-Attachment Chain
