

Tsubaki Advantage Success Stories

Application No.	6319
Industry	FORESTRY-Forestry - Lumber
Application Name	50 Bin Planer Drop Sorter Belledune
Issue	Original chain was Tsubaki (C2100HSKO10L) that lasted approximately 6 years. Mill switched to CAM to save money. CAM chain lasted 2 years. Uneven stretch was causing jams in the sorter bins.
Tsubaki Solution	In July 2016, installed 4 strands of Tsubaki C2100HSKO10L, matched and tagged for accuracy. After over 4 years, chain is still performing well.
Cost Savings	24,603.25
Product Type	Conveyor Chain-Attachment Chain
